All prices are net prices plus VAT, packaging and postage. With the placing of his purchase the customer confirms the knowledge and acceptance of the valid software license and service agreement. On notification of a legal VAT-ID number the delivery into countries within the EU – except of Germany – will be exclusive VAT.

The price for the **ambiente®** software license is a one-off fee. **ambiente® ServicePLUS** fee is payable annually in advance. The delivery will be after invoicing and payment in advance – if not agreed differently, the software will be activated on request of the customer after irrevocable incoming of the license fee at ANOVA.

Data protection and contradiction notice:

All data, given by the customer, will be used and stored at ANOVA for administration purposes only. There will be no handling of these data to third parties.

The order can be rejected by ANOVA GmbH within 14 days after incoming. The customer likewise has the right to withdraw the order within 14 days after date of signing, but not after collection of the activation code.
